

**Data Sheet (DS) 7TM000HA**

**Issuing Date:** 2020-04-09

Description	HA-Tag, Anti-HA Epitope Tag Antibody
Format	Purified, Liquid
Product Type	Rabbit Polyclonal Antibody
Isotype	Polyclonal IgG
Quantity	100 µl

**Product Details**

Applications	This product has been reported to work in the following applications:	
		Dilution
	Western Blot	1:1000
	Immunohistochemistry	1:100
	Immunocytochemistry	1:200
	<p>This information is derived from testing within our laboratories and peer-reviewed publications. Please refer to references indicated for further information. For general protocol recommendations, please visit <a href="https://7mantibodies.com/7tm-antibodies-support/7tm-protocols/">https://7mantibodies.com/7tm-antibodies-support/7tm-protocols/</a> Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.</p>	
Target Species	Human	
Product Form	Purified IgG, liquid	
Antiserum Preparation	Antiserum to HA Epitope Tag was raised by repeated immunization of rabbits with highly purified antigen. Purified IgG was prepared from whole serum by affinity chromatography.	
Immunogen	A synthetic peptide presents amino acids 98-106 of the human influenza hemagglutinin (HA).	
Storage Buffer	Dulbecco's PBS, pH 7.4, with 150 mM NaCl, 0.02% sodium azide	
Specificity	The anti-HA tag antibody is directed against amino acids 98-106 of the human influenza hemagglutinin (HA). The HA tag can be used as a general epitope tag in expression vectors. The anti-HA antibody can be used to detect total receptors in Western blots independent of phosphorylation. The anti-HA tag antibody can also be used to isolate and enrich receptors from tissue lysates. It also detects HA-tagged receptors in cultured cells and tissue sections by immunohistochemistry.	
Guarantee	12 months from date of dispatch	
Storage	Store at -20°C.	

	This product should be stored undiluted. Avoid repeated freezing and thawing as this may denature the antibody.
Regulatory	For research purposes only
Health and Safety Information	Material Safety Data Sheet documentation is available at <a href="https://7tmantibodies.com/7tm-immuno-grade-antibodies/epitope-tag-antibodies/ha/21/ha-tag-anti-ha-epitope-tag-antibody?c=520">https://7tmantibodies.com/7tm-immuno-grade-antibodies/epitope-tag-antibodies/ha/21/ha-tag-anti-ha-epitope-tag-antibody?c=520</a> in the downloads section as: <a href="#">Safety Data Sheet EU</a> <a href="#">Safety Data Sheet US</a>
